

Contemplating Redundancies?

Help is Close at Hand

In addition to our popular *EmployAssure* scheme we are pleased to offer you our

Redundancy Assistance Scheme

Managing a redundancy process is a stressful time. It is something that neither you nor the employee wants to go through, yet it is essential to protect not only the future of your business but also the livelihoods of those remaining in your employment.

Using the Boys & Maughan redundancy assistance scheme will ensure that you:

- ✓ Stay within the law
- ✓ Are fair to all parties involved
- ✓ Protect yourself from future claims
- ✓ Keep the process non-personal
- ✓ Know your costs from the outset

We charge nothing for an initial telephone consultation to explain how the scheme works
